TOWN COUNCIL AGENDA REPORT

TO: Mayor and Councilmembers

FROM/PHONE: Susan Dean, Programs Manager, 797-1042

DOCUMENT PREPARED BY: Susan Dean

SUBJECT: Resolution

AFFECTED DISTRICT: Town wide

TITLE OF AGENDA ITEM: A RESOLUTION OF THE TOWN OF DAVIE, FLORIDA AUTHORIZING THE TENTH AMENDMENT TO THE INTERLOCAL AGREEMENT WITH BROWARD COUNTY FOR SOLID WASTE DISPOSAL SERVICE, WHICH INTERLOCAL AGREEMENT IS DATED FOR CONVENIENCE NOVEMBER 25, 1986, BY AND BETWEEN BROWARD COUNTY, A POLITICAL SUBDIVISION OF THE STATE OF FLORIDA, BY, AND THROUGH ITS BOARD OF COUNTY COMMISSIONERS AND THE MUNICIPALITIES WHO ARE THE PARTIES TO THE INTERLOCAL AGREEMENT

REPORT IN BRIEF: Since its creation in 1986, the Broward County Resource Recovery Board (RRB) has always consisted of nine (9) members, five (5) County Commissioners and four (4) Municipal Representatives, alternating on a yearly basis. When the composition of the RRB was created, its members reflected the governments that controlled the solid waste flow. Since 1986, the unincorporated portion of Broward County has gotten smaller and therefore the composition should be changed to reflect the present governments in control.

The County Commission chose one of three suggestions for the composition of the Board and would like us to vote on the Resolution. This Resolution would change the make-up of the Resource Recovery Board to: One (1) member from the County Commission, three (3) members, one from each of the three largest Contract Communities by population, three (3) members, one from each of the Contract Communities closest to the median population, and two (2) members to be appointed by the League of Cities.

With this method, the Town of Davie may never have a seat on the RRB. The Town preferred a different option which was communicated in writing to the County Commission. This was to have: One (1) member from the County Commission, two (2) members, one from each of the two largest Contract Communities by population, two (2) members from the contract communities closest to the median population, and four (4) members appointed by the League of Cities. By having 4 members appointed by the League of Cities it was felt that we had more of a possibility of holding a seat.

Additionally, the Materials Recovery Facility (MRF) is located in the Town of Davie. The Waste to Energy plant abuts the Town of Davie. These are County facilities that cause an increase in traffic through our Town and increased wear and tear on our roadways. We would like to see the Town with a permanent seat on the Resource Recovery Board.
